OUR RECTOR

Very Reverend Salvatore P. Luzzi

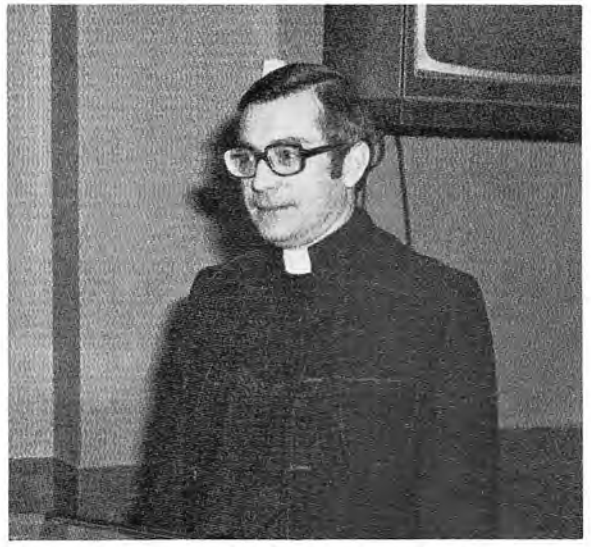

Father Luzzi was born and raised in St. Bernard's Parish in Bradford. He furthered his education at Gannon, at Saint Mary's Seminary, and at the Theological College at Catholic University. He was ordained at St. Peter's Cathedral on May 31, 1962. His first assignment was at Venango Christian High School.

In 1968, Father Luzzi was assigned to Saint Mark Seminary as teacher, Dean of Discipline, and Dean of Studies. In 1969, he was named Vice Rector and Director of the High School. In 1972, Father Luzzi was named Rector of Saint Mark Seminary. In 1979, Father Luzzi was assigned to St. Joseph Parish, in Warren, where he will serve as the new pastor.

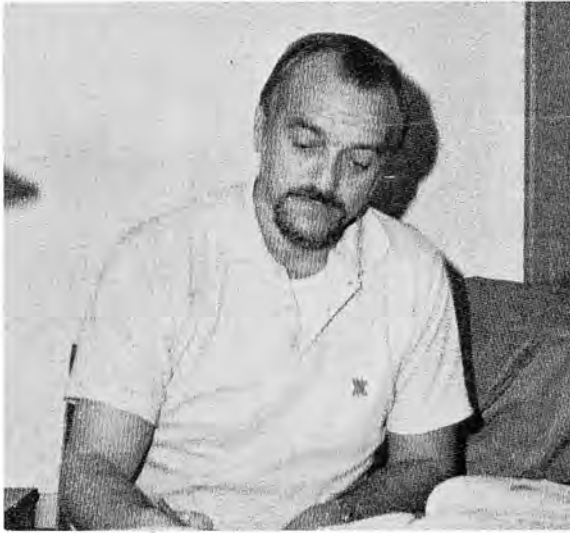

We, the faculty and students of Saint Mark Seminary, wish Father Luzzi the best of luck. He has touched our lives in so many ways that we could not begin to thank him. Our thoughts and prayers are with him, as he begins his new duties. God be with you!

Christian Lawrence Allison

Chris, a four year student and a one year resident, has distinguished himself in both academic and athletic endeavors. He was Year Book Editor, sports reporter for *The Markian*, a member of High-Q, and a consistent honor student. He participated in U.N. and ranked fifth in the Foreign Language test at Gannon. He lettered in basketball, baseball, cross-country, and as a freshman was on the tennis team. Although an honor student, his interests are many and varied and he is recognized as an authority on John Belushi and Jim Croce. An avid Penn State fan, Chris hopes to matriculate at the College in the Pre-Medical program.

Timothy Leo Eberlein

Tim transferred from Cathedral Prep at the beginning of the junior term and was selected secretary of the class. The progress he had displayed in playing basketball, baseball, golf, bowling, and volleyball continued to manifest itself at St. Mark's. In two years, he earned varsity letters. He also joined TAC, was a member of the U.N. Delegation and put his artistic talent to good use as lay-out editor of *The Markian*. A consistent honor student, Tim is presently planning a future in the field of mathematics or art.

Stanley Vincent Grabinski

Stan, despite some frivolity as a freshman, regularly earned honors during his four academic years. He admits to being somewhat inept in sports but actively engaged in intra-mural volleyball and football. He has consistently held student elected offices such as Freshman Vice-President, Sophomore Class President, Student Council Representative, and TAC School Representative. He has been a member of the bowling club and has displayed as interest in Apostolic Works. Stan hopes to study engineering in college.

Brian Joseph Hemme

Brian fancies himself as another "Minnesota Fats" but his capabilities extend far beyond that of dexterously handling a cue stick. He gained recognition as an outstanding baseball player and displayed the potential necessary for the Big Leagues. He regularly rolled high scores in bowling. He was a Student Council Representative, a member of the Mission Club, and of *The Markian* staff. Brian has been accepted as a student at I.C.M. in Pittsburgh where he will prepare for a position with Sperry Rand Computer.

Edward Gilmore Henschel, III

Transferring to a new school for the senior year is often a difficult task but with his winning personality, Ed quickly became a part of the class as he brought the count to an "even dozen." He added height and speed to the basketball squad, was a member of the Camera Club, and with his aptness and "know-how" in the field of photography, he became a welcome and essential asset to *The Markian*. A career as a psychologist will follow the completion of his college studies.

Michael Thomas Kesicki

A strongly motivated student, Mike has managed to rank first in his class for four years. While holding down a part-time job over the week-ends, he served the school as basketball scorekeeper, as Student Council Representative, as a U.N. Representative, a member of High-Q team, as TAC representative, and has been engaged in Apostolic Works. He was also co-editor of *The Markian*. Michael will continue his pursuit of academic achievement at Gannon College studying Chemistry. No one should be surprised, however, if he is someday addressed as "Reverend."

High School Seniors

Edward John Kolo

Eddie travelled from Auburn, N.Y. to attend St. Mark's. Good natured and generous, he has been very active in all phases of seminary life. As dining room prefect, he displayed his ability to organize and handle difficult situations. This efficiency was also evident as Associate Editor of *The Markian*. His main interest, though, is sports. He has lettered four years in baseball and three years in basketball. Having already been scouted by Major League teams, Ed plans to attend college, major in some field of business and after these experiences decide what direction his life will take.

Mark Gerald Radkowski

Mark's devotion to study earned him the title of "The Ghost of Classroom 5" where he could be found at any and all hours. Besides handling two college credit courses, he was a member of the cross-country and bowling teams, served as basketball manager, as Student Council Secretary, as Senior Class Treasurer, and sacristan, and as typist for *The Markian*. As indicated by his weekly essays and his term paper, he is extremely interested in economics and finance and will probably pursue a career in one of those two areas.

Lawrence Robert Richards

Transferred from Pittsburgh, during his first year at St. Mark's as a junior, Larry was elected as Vice-President of the Mission Club. Within one year, he established himself as a leader in the school and was elected by the students in his senior year as President of the Student Council. He handled all the duties incumbent upon the office with confidence. He was also one of the top bowlers in the school and proved to be a valuable member of *The Markian* staff. Larry will continue his seminary studies at Divine Word College in Epworth, Iowa.

Michael Edward Sparks

When Mike moved to the Seminary as a resident during his sophomore year, his activities expanded. Some of the organizations with which he has been associated are The Chess Club, Model U.N., High School Librarian, Orientation and Live-In Committee, TAC, Student Council, and Apostolic Works. Mike kept the book for the basketball team and as President of the Camera Club was the photographer for the yearbook and *The Markian*. His plans for the future are indefinite.

Robert William Straub

Staying in the background for three years and sharpening his wits playing cards, Bob emerged as a dependable and reliable senior. His first love is cars but he fixed everything from a transistor radio to Sr. Mary's electric cart. Bob's capabilities, however, extend beyond his manual talents. Organization is his forte as he aptly displayed when he effectively handled the positions of Business Manager of *The Markian*, Audio-Visual Chairman, Bowling Captain, Rec Room Chairman, and Class Vice-President. Study at the Auto-Diesel Clinic or a candidate at Epworth are two possible careers for Bob.

Augustine John Wall

A native of Hornell and a three year resident of St. Mark's, Gus has earned the respect of the entire school. It was not always in jest that "Ask Gus" would be the response to someone seeking information. His chief responsibility was that of Head Master of Ceremonies but he was also Senior Class President, Mission Club President, Student Co-ordinator of Live-Ins, and a member of *The Markian* staff. He actively participated in Christmas programs, in intra-mural football, in Apostolic Works, and in basketball as game announcer. Gus hopes to become a member of the S.V.D. Community in Epworth, Iowa.

Kiss today goodbye

**The sweetness
and the sorrow**

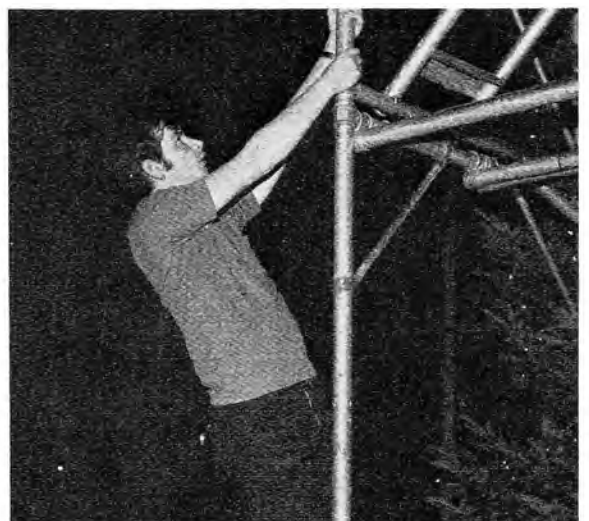

Wish me luck

The same to you

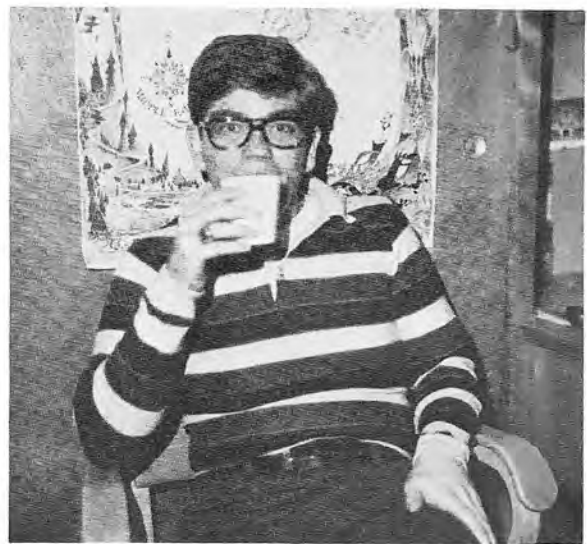

But I can't regret

What I did for love

What I did for love

Look my eyes are dry

The gift was ours to borrow

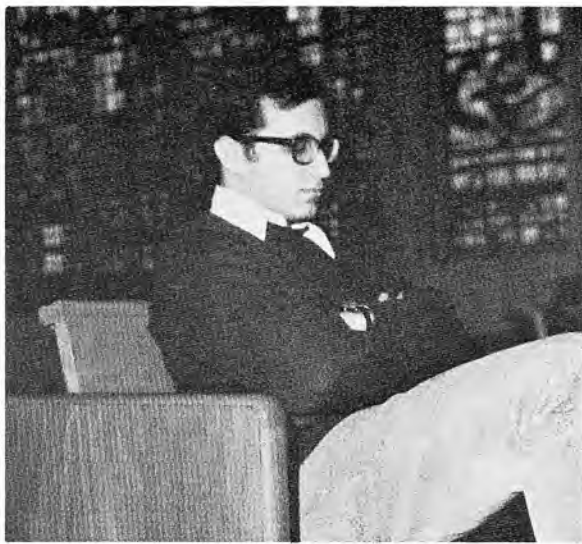

It's as if we always knew

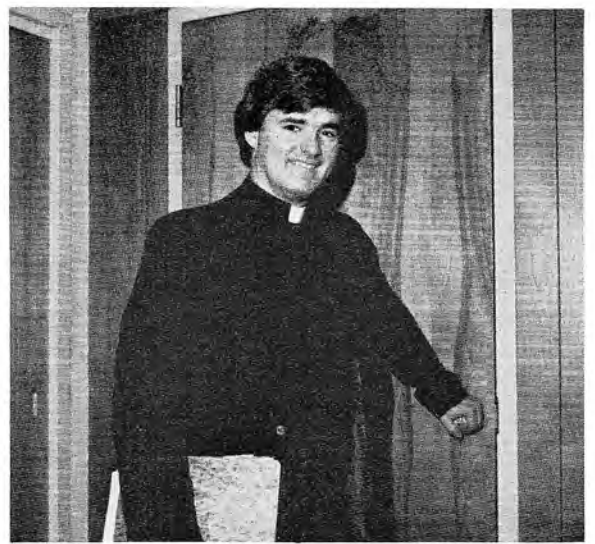

And I won't forget

What I did for love

What I did for love

Gone,

Love is never gone

As we travel on

Love's what we'll remember

Kiss today goodbye

And point me toward tomorrow

We did what we had to do

Won't forget

Can't regret

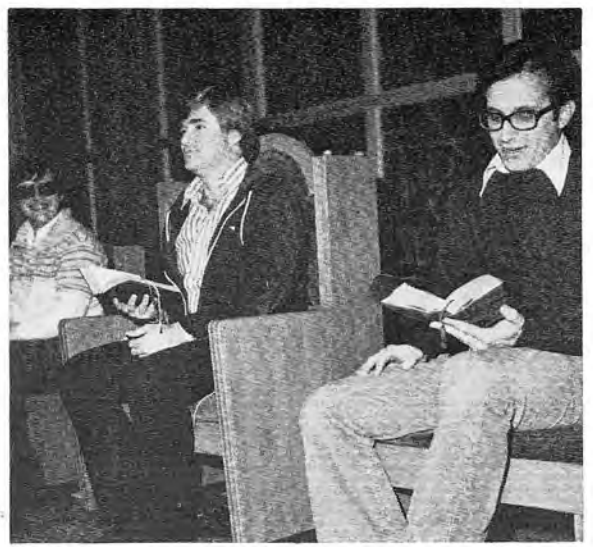

What I did for love

What I did for love

What I did for love

Love is never gone

As we travel on

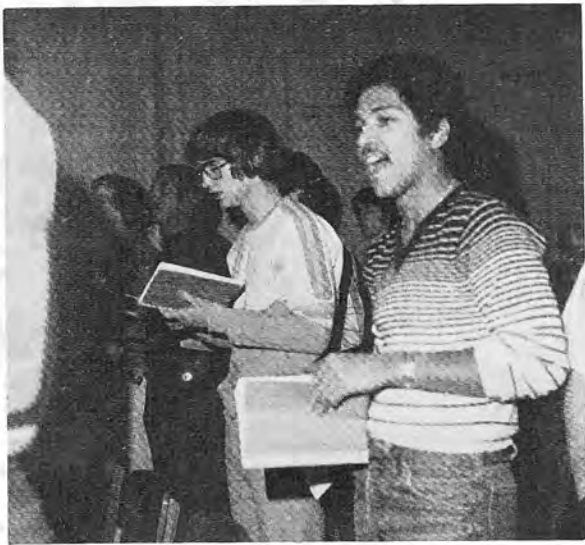

Love's what we'll remember

Kiss today goodbye

And point me toward tomorrow

We did what we had to do

Won't forget

Can't regret

What we did for love

What we did for love

What we did for love!
