Summary
The Diocese of Scranton received complaints from three adult males who claimed that
they were sexually molested by the time period when they the the time period the time period. The first two complaints
were received in 2007.
The Diocese issued a Decree that the allegations were to be investigated. A private
detective was hired. Although the two victims were shown photo line-ups containing
photographs of priests from the 1970's, they could not positively identify. The Diocese
determined that the complaints were unsubstantiated but did offer to pay for counseling for the two victims. Law enforcement was not notified.
In 2014, the Diocese received the complaint from the third victim who alleged that he was sexually molested by The Diocese listed this complaint as unsubstantiated.
However, it was referred to law enforcement.
